VOL 13 NO. 7 WEDNESDAY, FEBRUARY 16, 1972.

Council goes after department store for St. Albert

Town council is working in co-operation with the Edmonton Area Industrial Development Association to attract a major department store to St. Albert.

A letter describing the market area and giving comprehensive supporting data has gone out from the Managing Director of EIDA followed by a brochure. Council is in full agreement that a store such as Easons, Simpsons or the Bay is a shopping service the public in the town and district look forward to having in the town, and will continue to give every encouragement to such a development.

A bylaw to designate certain roads, highways, lanes, streets and avenues as "Truck Routes" for use by heavy vehicles within the town has been passed, limit-

ing such traffic to the following: Highway No. 2, St. Vital Avenue, Perron Street from St. Anne Street south to Churchill Avenue, Sturgeon Road, St. Anne Street, Grandin Road, Churchill Avenue, Ball Avenue, Edmondson Road, Hebert Road, Cunningham Road, McKenney Avenue, Dawson Road, Boudreau Road and Lakeview Drive.

A vehicle being operated on the most direct and practicable route between the following locations and the nearest truck route will not violate the bylaw: persons delivering or collecting goods from customers located off a truck route, and persons going to or from premises for servicing a heavy vehicle, which are not located on a truck route.

Motion by Councillor Lu-

kay that violators be fined \$20, rather than the \$10 set out in the bylaw was defeated and the fine will be \$10.00.

Mr. Albert Hauptman was present for his appointment at committee meeting on January 24. A 90-day option by the Bruin Hotel to purchase adjacent land from the town for a parking lot had expired, and he spoke on the new application by St. Albert Investments, explaining that no actual change in ownership was involved. He referred to the first proposal by the Bruin Hotel for a lease arrangement and the plan to provide a paved parking area, lighted, with some electrical outlets for block heaters, and said that St. Albert Investments agrees to the same proposal. He would

like to gravel as early as possible in the spring and pave, "perhaps with the advent of summer, or as weather permits" and agreed to post a bond.

"If I borrow a million dollars to expand on my property, the mortgage company will demand a 40-year lease or an outright sale," said Mr. Hauptman.

Council Kambouroff asked if the town sells the land to be developed for parking, and you own it, could the public have access?

"Nothing else has been in my mind," said Mr. Hauptman, "hotel patrons from after 6 p.m. and the general public could use it from 7 a.m. until 6 p.m. My dilemma is that if I cannot raise the one million to keep on with my expansion plans, the town gets the lot regardless. I need land for parking now - regardless of future expansion." He added that he has asked for a subdivision replot, just recently received. The town could not give title until the subdivision goes through and he was reticent to give money without title.

District 3 approves Biology study project

The St. Albert School Board District No. 3, meeting on Feb. 10, approved a project for 35 junior high school students to study survival techniques and the natural environment at Elk Island national park, Jasper national park and Long Island.

Two groups of students will go with their teacher, Leonard Bracko, to Elk Island national park on Feb. 25 and to Jasper national park on March 11 as part of the biology study program.

Another group of 15 students will be going to Long Island provincial park on April 14 - 15 to learn some of the techniques of survival from Instructor R. O'Donnell.

The cost of \$4.50 per student will be paid by the students themselves.

It was announced that the board will begin study of the budget proposed for the 1972 year at the meeting on March 9th.

"I think you're 'eaven!'" cries Ida the parlor maid to Cpl. Clive Winton in a scene from the three-act farce "See How They Run" during rehearsal Friday evening. Rita Egan, who teaches music and art at Leo Nickerson school, plays the maid, and Michael Ross the corporal. Rita has had substantial experience with amateur dramatic groups in London, England, and Michael with the University Studio and Waverdale theatres in Edmonton. Director Ken Graham, the cast of nine local amateur actors, and production crew under Bob Gibbon are all working hard, polishing up the play to be presented here the last week in March. They are rehearsing four times a week.

Security tightened in District 6 schools

The chairman of the protestant separate school board told the meeting February 9 that the security in the school of district 6 is too loose and policy in this area should be tightened.

Mr. Wiltshire moved the adoption of the suggested policy on key control and other regulations, which the board passed.

The regulations state that distribution of keys will be the responsibility of the principal in each school. He will hold six keys, the maintenance supervisor 5, and one key will be kept in the district administration office.

All keys will be numbered and may be replaced

only by the secretary-treasurer of the board, who must be informed of any loss of a key.

School buildings will be opened at 8 a.m. and the school closing time will be the responsibility of the caretaker.

Teachers can be admitted by the caretaking staff on Monday through Friday at Leo Nickerson school up to 9:30 p.m., Robert Rundle to 9:30 p.m., and at Paul Kane, Sir George Simpson and Sir Alexander MacKenzie school is up to 11:30 p.m.

Persons wishing entrance to the schools during the summer recess will have to apply to the secretary treasurer.

That portion of our local residents who are annoyed with snowmobiles will undoubtedly look at this old-fashioned way of enjoying the river in winter with a fond eye. The driver of the sleigh passed under Perron Street bridge last Thursday just about the time students were returning to school, and didn't mind at all when the youngsters climbed aboard for a ride.

These charming young ladies are candidates for the annual winter carnival being staged February 21 to 25 at Sir George Simpson school. Avril Bradley, representing Fraser House is seen at left, with Jackie Carlson of Hendy House and Marilyn Larocque of Hearne House holding the mascot and Debbie Waddington, representing Thompson House. Queen crowning ceremony will take place Monday at 5:15. Carnival events have teachers and students involved in broomball, puck shooting, penny carnivals, a variety night, hot dog eating contest and junior high dance, among others. Staff and students are inviting entire families to join in the fun.

Barry Breadner to speak to Chamber

St. Albert Chamber of Commerce will have as their guest speaker Mr. Barry Breadner, recently elected president of the newly formed St. Albert Community Planning Committee at their regular supper meeting next Tuesday, February 23, 6:30 p.m. at the Club Mocombo.

Mr. Breadner's topic will be the philosophy of the brief his committee sent to the Local Authorities Board asking them to defer decision on the annexation of some 550 acres of land to

St. Albert by the firm of BACM. The Chamber members will be able to discuss the submission and to ask questions of Mr. Breadner.

Other business will be the election of officers for the ensuing year and a nominating committee will bring forth a slate of candidates. Nominations will also be accepted from the floor and it is the Chambers hope that a goodly number of new members will offer their assistance in the coming year. Tickets are available from The Gazette, Emery's Pipe Shop or at the door.

Credit Union

St. Albert Savings and Credit Union will hold their annual meeting on Saturday, Feb. 19 at 8 p.m. in the Community Hall. Registration time is 7:15 p.m. There is no charge for members attending the meeting - plus a bonus of \$1 off their ticket if they wish to take in the dance and refreshments that follow at 9 p.m.

Tickets should be purchased prior to Thursday, Feb. 17 for all those planning to attend the dance. Admission is \$3.50 per person and may be picked up from the Credit Union Office or from any officer. Make your plans now.

Protestant Board approves report on course fees

At their regular meeting on February 10, the Protestant school board approved the Course Fee and Related Fee recommendations of the administrative council, as submitted in a report of December 10.

The report called for the approval by school principal

pals of any fee or school requirement, and that he submit a written memorandum to the board, stating all projected costs of a project, under the headings District fees, Required school fees, School-provided services and other costs.

Principals are to explain fully whether each project or course fee is optional or compulsory, and the explicit purpose for which the fees covered in the memorandum are to be used. The memo will also state when monies due by parents for special programs are to be paid.

Amount of fees to be paid by parents will be known at the close of the school year, at the time option program in junior and senior high school programs are offered. This fee schedule will be published in the newspaper at the time of school opening, in line with regular practice.

AROUND TOWN

"Terrific!" reports Bette Smithson, of the Sturgeon General Hospital Ladies Auxiliary valentine bake sale. "All the girls were so pleased!" she commented, both with the success of the sale and the help received from non-members. Proceeds will go to further the auxiliary's work at the hospital, with emphasis at present on furnishing the physiotherapy department.

Council

Coun. deBruijn said this was a fair proposal, with Mr. Hauptman's guarantee and bond, and it should be a basis for agreement. Coun. Thordson asked if paving could be completed by mid-July. The soil is of unusual silt composition, replied Mr. Hauptman—sludge when wet and like concrete in two days, therefore extra deep excavation might be required after all frost is out.

Coun. Kambouff's motion that the land be sold to St. Albert Investments for a parking lot, and that a bond be obtained to cover the paving, and a development agreement for completion in 1972 be prepared was carried 4-3.

Coun. Bakker's recommendation that the application be approved, passed unanimously at council meeting February 7.

Premier Esso coming close

Calgary Power Kegs moved into a three point lead in the St. Albert Men's Commercial League standings with a 7-2 win over Grandin Gulf last Wednesday. Jim Glover led the attack with three goals while Chuck Legace added a pair. George Hucaluk scored both Gulf goals.

On Thursday St. Albert Esso moved into second spot with a close 4-3 win over Premier Esso. Terry Wisplaski scored two goals in the third period for the winners. Oscar Houle had a pair and Murray Bauer a single for Premier Esso.

Kinsmen Warriors hold down third spot, two back of Esso.

Grandin Gulf pulled to within one point of fourth place National Life Bruins

with a 4-2 win over the Bruins on Monday.

Phil Hebert, George Hucaluk and Elmer Pallchuck with a pair, scored for the winners in the third period. Ross Boyes and Jim Knull scored for the losers.

AROUND TOWN

The Kinetite Club and all the local women who are giving them such fine support in conducting the Heart Fund canvass have set themselves an ambitious target of \$3,000 this year in St. Albert. This represents an increase of \$760 over last year, and the girls are confident local residents will see that they make it. Campaign goes February 14 to 29.

Lorne Akins, well-known oldtimer, dies at 81 years

LORNE AKINS

A bit of the sunshine that brightened and warmed our community has gone on ahead with Lorne Akins. But who can say how many rays will continue to reach out, in how many directions from this man, who gave of himself to all the people he met and knew along the way? Mr. Frederick Lawrence Akins died on February 10 at Sturgeon General Hospital in St. Albert, at the age of 81 years.

Funeral services were conducted Saturday afternoon at St. Albert United Church, 1 p.m. by the Rev. Leonard Musto assisted by the Rev. Dr. E. G. Miller, who serves Nmanoo United Church. Music by was organist Mrs. Lillian Upright, the church choir and soloist Mr. Roy Gilley, who sang "Beyond the Sunset," a favorite hymn of Mr. Akins. The choir sang the anthem "Jesus so Lowly." Rev. Miller gave the scripture reading, choosing a group of the Psalms of David.

Speaking with feeling and sincerity, Mr. Musto spoke to about 350 people, who filled the church and also the lower hall, about the life of Mr. Akins and his philosophy for living. "Lorne would not want us to mourn today," said the minister, he would want us to think of this day as a day of victory.

Referring to the Akins' golden wedding anniversary, celebrated on January 16, the minister said what a wonderful day it had been for Lorne and his wife Marguerite, and now he "has gone on ahead."

He spoke also of Mr. Akins' sunny disposition, his lack of prejudice and his open mind, interested in people of all ages and circumstances.

To conclude the service Mr. Musto asked the congregation to join in an old-fashioned hymn which the family had often sung together as the children were growing up. "The Roll is Called Up Yonder" is a rollicking, resounding hymn - let us sing it the way Lorne would have wanted us to, said the minister.

The congregation joined in a communal service in the church, but the actual interment took place on Monday at 10:30 a.m. at Evergreen Memorial Gardens.

The family invited the congregation for coffee and fellowship in the lower church hall following the service.

Six members of the St. Albert Lions Club formed a guard of honour at the service: Ed Savoie, Neil Ross, Rock Holman, Dr. Wm. Cuts, Murray Keyes and Ken Moore, Pallbearers were Mr. Akins' three sons, Gordon, Fred and Jim and his three sons-in-law, John Rowsell, Clayton Crozier and Roy Kittitz.

Mr. Akins is survived by his wife Marguerite, three sons, Fred of Edmonton, Gordon and Jim of St. Albert, three daughters, Mrs. Roy Kittitz (Phyllis) of St. Albert, Mrs. John Rowsell (Eileen) of Fort Saskatchewan, and Mrs. Clayton Crozier (Jean) of Nmanoo; 14 grandchildren and four great grandchildren. He was predeceased by his seven brothers and his two sisters and one grandson, Douglas.

Mr. Akins was born in Kinburn, Carlton County, Ontario 1890 on December 10. He came west in 1913 to pack ponies in the Kananaskis Valley for the federal government. From there he spent five years in Winnipeg in construction work,

and later three years on survey, working with his brother in the Peace River country.

In 1917 he bought a farm in St. Albert and farmed it until he was 71 years old, when he sold the farm and retired.

Lorne was chairman of the school board for 20 years. He was president and manager of the St. Albert Community League for nine years, and a life member of the Community League and also of the St. Albert Curling Club.

He was an associate member of the Canadian Legion for 14 years. In addition he was active on the town council for many years and was appointed to the Board of Administration of the New Town of St. Albert, and later elected to town council when it reverted to old town status.

Lorne was a charter member of the St. Albert Lions Club, with 20 years of perfect attendance, and a charter member of the St. Albert United Church on profession of faith. In his earlier years Mr. Akins was an active hockey player, ball player and was a champion wrestler in Manitoba and Alberta.

Day Care moves a step farther

Local residents interested in forming a day care centre in St. Albert were given a boost at the meeting held by the group Thursday evening at Sir George Simpson school.

Howard Clifford, director of Edmonton Day Care Services, spoke to the meeting, illustrating the existing need for such a centre, and pledged his support for a comprehensive, well-run day care program in St. Albert.

Such interest was shown at the meeting that the St. Albert Day Care Society was formed. All parents interested in this service, now or in the future, are urged to join the society. This may be done by attending the next meeting on Thursday,

February 24, to be held in the Fire Hall from 8:30 p.m. Or prospective members may contact Mona Acker at 599-8601.

AROUND TOWN

Councillor John Bakker chaired the Committee of the Whole meeting Monday evening with one leg resting on the table and his stocking foot revealing a rather large swelling. His colleagues around the council table offered little in the way of sympathy, but plenty in the way of quips. Mr. Bakker suffered a twisted ankle last week while on a skiing trip to Jasper Park with Mrs. Bakker. The accident will take the Bakkers out of their Scottish dancing activities as well as skiing for the weeks ahead.

Kenneth Charters passes suddenly

Funeral services were held Wednesday, February 9 for Kenneth W. Charters of 53 Mission Avenue who died suddenly on February 5 at the age of 44 years.

Reverend M. Luttis officiated at the service, held at Park Memorial Chapel at 1:30 p.m. Cremation followed and ashes were interred at Westlawn Memorial Park.

Six members of the Klondike Kids motorcycle team formed a guard of honour at the service. Bill King, Daryl Rotheiser, Garry Alterbury, Floyd Berry, Phil King and Don Rae. The entire group of 20 boys attended the service.

Pallbearers were Gordon Rae, John Evans, Bill Walle, Sid Deguire, Clarence Berry and Robert Gains. Present for the services were Mr. and Mrs. Bob Dale and Mr. and Mrs. Jim Dale of Viscount, Saskatchewan, Mrs. Ivan Starr of Saskatoon and Mrs. Marion Strachan of Prince George, B.C.

Mr. Charters is survived by his wife Doris, three sons, Les of Edmonton and Bruce and Gordon at home; his parents, Mr. and Mrs. Everett Charters and one sister, Mrs. Marion Strachan.

The family moved to St. Albert in 1966, and Mr. Charters was employed as

a mechanic at Haye's Dana in Edmonton. He was an active member of the Royal Order of Moose and a favorite project was the Klondike

Kids, sponsored by the Lodge, to which he devoted much time and effort.

Ken Charters will be remembered by all who knew him as a kind and neighborly man, who was always willing to lend a helping hand. He was visiting at the home of a neighbor when the sudden seizure took his life.

Mums and Dads

The support of your sons participation is most appreciated if all involved in the game of hockey. Nevertheless when you take in a game please refrain from yelling at your boy — "Kill Him" . . . "Trip Him" as this only confuses the boy and could have the effect of a poor outlook on hockey and lessening the rewarding values of the game.

We realize that you would like to see your boys team win . . . but please don't encourage him to win at all costs. After all it's a game for him for enjoyment, exercise and sportsmanship.

So instead, encourage your boy to play the game the way it should be played and come and see him as often as you can. The boys are only boys . . . not paid and not professionals.

Soccer starts early for St. Albert

The Parks and Recreation Department in co-operation with the Hercules Sports Association are holding a Soccer Coaches Clinic at the Sir George Simpson Junior high school on Saturday and Sunday, Feb. 26 and 27.

The clinic, to be conducted by Mr. Peter Usher of the University of Alberta, will cover fundamentals of the game, rules and regulations and fundamentals of coaching. The session will also provide both an introduction to the game of soccer, for those with little or no experience, and an opportunity for coaches to improve their coaching abilities. No fees are required.

For further information phone Mrs. Laird, 599-6601 or Ken Armstrong 599-8081.

The final registration for soccer is being held on Thursday evening, Feb. 17, between 7 and 8:30 p.m. at the Sir Alexander Mackenzie and Sir George Simpson schools.

Trials for the All-Star teams, which will represent St. Albert in the Edmonton Metropolitan Youth Soccer Association Leagues in Edmonton, will be held in the Field House during early March.

These teams have the opportunity to compete for the City, Provincial, Western Canada and Canadian National championships. Last year the St. Albert All-Star Atoms won the city finals while a team from Edmonton Bantam All-Star League won the City, Provincial,

Western Canada and Canadian National championships.

Local soccer which will commence late April or May and run until early October, depending on weather and field conditions, will provide competitions for local championships and trophies.

During July and August the teams will be reorganized to allow boys to participate in soccer during the school vacation period.

With the introduction of daylight saving time from April 30 to October 29 it is proposed that soccer games will take place on Monday, Tuesday, Wednesday and Thursday evenings.

It will be impossible to carry out a successful program without the assistance

of parents to act as managers, coaches, assistant coaches, referees and drivers.

The Hercules Sports Association, sponsored by the London Society, in co-operation with the St. Albert Department of Parks and Recreation will supply all the necessary equipment with the exception of footwear. Boys playing for the All-Star teams are required to wear soccer boots but either soccer boots or runners may be worn by boys playing in the local leagues.

For any further information please phone Mrs. Laird at 599-6601 or Ken Armstrong at 599-8081.

For paying too much income tax last year. You see, there's a section in the Income Tax Act that says you can deduct a substantial amount from your annual earned income if you have an eligible retirement savings plan. Take advantage of it this year. All you have to do is register your annuity or permanent life insurance plan by February 29. Edward Duncan opens law practice here

Mr. Edward Duncan has opened an office for full time practice of law at 192 St. Albert Road. A graduate of the University of British Columbia in 1955, Mr. Duncan was admitted to the British Columbia Bar in 1956.

He played professional football for two years with the B.C. Lions, as quarterback and defensive safety, and handling the punting, then with the Calgary Stampers for four years.

He was called to the Bar in 1958 in Calgary, and during his time there he served as an alderman on City Council for five years.

In 1966 Mr. Duncan sold his law practice and moved to Toronto to enter the business world. However he and his family became lonesome for the west and returned to Alberta four years later. He set up practice in Edmonton, "where I was under the impression I lived in North Edmonton, when really I lived in St. Albert," said Mr. Duncan.

In more serious vein Mr. Duncan said "my family and I are most happy to get this

EDWARD D. DUNCAN

opportunity to serve the St. Albert community and Sturgeon municipal district."

Mr. Duncan is confident there is great opportunity to grow and develop with this community, which he feels has a bright future.

Rumpus Room seminar next Tuesday

New ideas and samples of many new materials will be the theme of the Rumpus Room Seminar being held in St. Albert next Tuesday at 7:30 p.m. in the Community Hall.

The showings and commentaries are being sponsored by Imperial Lumber and Hardware and the seminar is open to residents of St. Albert and district at no charge.

Limited space, because of the displays, makes it necessary to reserve seats and this may be done by phoning 599-7747 before 5:30 p.m. within the next few days.

Displays will include:—

Cushion vinyl floor coverings; carpets; Abitibi and Citation Weldwood wall panels; ceiling tiles; Imperial Lumber framing; suspended ceiling systems; power tools; paint, plasterboard; floor tiles; mouldings; Imperial Lumber strapping and doors etcetera. Coffee and doughs will be served and someone will win a major door prize.

Reservations to date indicate a good turn-out and people interested in building a rumpus room should reserve seats soon. Ladies are most welcome as the seminar will have many ideas of particular interest to them.

New catering service for St. Albert

Trio Catering—a newly formed service business by local people, will handle their first job on Saturday, for the St. Albert Savings and Credit Union annual dinner meeting and dance at the community hall.

Dennis Belanger of Morinville district, Ethel Senal and Vera Ross of St. Albert will combine their experience and talents in the new business venture. Ethel has

over 14 years experience, particularly in food preparation. Vera has five years and Dennis seven years experience in the catering field.

They will offer full catering service for banquets, weddings, private parties, social functions or business luncheons, and will work out of the St. Albert Community Hall.

Town presents views to Authorities Board on annexing application

Following a submission to the Local Authorities Board by the St. Albert Community Planning Committee, asking the board to read a decision on the annexation of 500 acres owned by BACM to the town, the board asked St. Albert town council for a statement of its views.

The statement, as read to an open meeting of council last Thursday afternoon, and forwarded to the Local Authorities Board, is presented here in full. The submission of the planning committee was published in the January 26 Gazette.

Re: The Application for Annexation of Certain Adjacent Territory by the Town of St. Albert

The following is given in reply to yours of January 26, 1972 and more particularly are Council's views of the submission to your Board made by the St. Albert Community Planning Committee.

The Town of St. Albert commissioned Stanley Associates Engineering Limited to undertake an extensive sewage study in order to determine the most efficient manner of providing a sewage treatment and disposal system to required standards in the most expeditious and economic fashion. We attach a copy of the final report of this study and would appreciate its return. Its volume is indicative of its costs and a limited number were printed. It resulted in a decision of Council to construct a recommended system and financing is under review. To this end, a brief has been prepared and arrangements are being finalized to present it to the Premier and his Cabinet.

Stanley Associates Engineering Limited have also been commissioned to study the water supply system and the first report, received by Council on February 7, 1972, instigated the decision to immediately proceed to design the booster revisions and continue the physical and financial programming. A copy of this report is also attached.

A sanitary landfill site has been under discussion for approximately a year and a committee of council was recently appointed to complete negotiations. Its capacity is allied to the protracted population.

A Transportation Committee has examined the Metropolitan Edmonton Transportation Study and the Regional Rural Road Study and the determination of roads and bridges planned influenced the committee to meet with the Chairman of the Highway Traffic Board. A meeting with the Minister of Highways and Transport has been requested in order, through familiarization with the department's policy and regulations, to design a public transportation system; lights, etc. A census conducted in January 1972 was broadened to assemble information pertinent to traffic patterns.

The dictates of the Planning Act limit reserve lands to a minimum of 10 per cent and presentation will be made through the Alberta Urban Municipalities Association to increase the percentage to include provision for school lands. The town's development policy requires confirmation from both school boards as to their satisfaction of land area and cost in a developing area and the execution of the development agreement is contingent upon such confirmation. A feasibility report of the Edmonton Regional Planning Commission covering the river valley is before the Parks and Recreation Board and a recommendation is expected in due course.

Costs of development are the responsibility of the developer and the town establishes standards of construction only and does not become financially involved. It demands an off site cost contribution to meet the eventual expansion of the water and sewer system and the current rate is \$500.00 per single family dwelling. This, again, is based on the study completed by Stanley Associates Engineering Limited. We attach an outline plan, Lacombe Park, detailing the area in question. Direct liaison with other governments is provided through the Edmonton Regional Planning Commission. A committee of council is in existence to maintain continuous communication with the Municipal District of Sturgeon No. 90 on matters of mutual interest and concern.

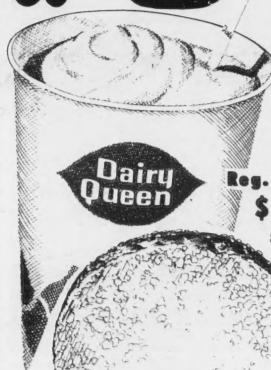

A joint meeting of the councils of both the Town of St. Albert and the Municipal District of Sturgeon No. 90 convened in 1971 concentrated on growth and it was mutually agreed that annexation should take place by neighborhood only and the application presently before you is compatible with the decision.

Development policy regulates expansion insofar as it prohibits development in more than two neighborhoods at any one time and a proposal for further development will not be entertained unless it is estimated that serviced land allows less than a year's supply based on the then-current demand.

As you are aware, the financial problems which necessitated your Board's control have been eliminated and it is argued that its cause in the first instance is what engendered the policies and attitudes that have been touched on in the foregoing. Council's autonomy and dignity are held in such high regard as to anticipate and prevent such a recurrence.

We believe that the problems of growth are being attended to with some diligence and that the concerns expressed by the St. Albert Planning Committee are somewhat unwarranted.

Gerhard and Monika Rosin of K & D TV look forward to giving improved service in both the sales and servicing departments of the business in their new location in the Carmar Building on Muir Drive. Peg-board display features accessories and parts for retail

Mrs. Rosin checks an invoice with repair apprentice Dave Block in the back shop at K & D Television Sales and Service Ltd. The new location on Muir Drive provides larger and improved facilities for the maintenance and repair servicing of television sets, radios and stereos, which forms the backbone of the firm's business.

sale, while counter puts items such as tape recorders, headphones, records and car radios in full view of customers. The firm's line of television sets is also shown in the front portion of the store.

Television Service firm moves to Carmar Building

Mr. Gerhard Rosin of K & D TV Sales and Service Ltd., has eight years experience in the repair and maintenance of black and white and color television, radios, tape recorders and stereos.

He trained at NAIT and then joined a city firm, later going into the Simpsons-Sears service department. A year and a half ago he opened a shop on Perron street in St. Albert under the name of Klondike TV, and has now moved into new and larger premises in the Carmar building on Muir Drive.

The firm does home service calls, in-shop repair work and antenna installations and repairs. In their

new location the retail sales section has been enlarged and they carry radios, car radios, car stereo equipment, cassette tapes and recorders, A-track tapes and records, as well as television in color and black and white in both console and portable models, and component and portable stereos.

Another important part of the retail outlet is a complete line of replacement parts, and in response to a demand from their many young customers, psychedelic posters are also available.

Monika Rosin works with her husband, along with Dave Block, a full time repair apprentice and two part-

time qualified technicians. Store hours are Monday through Wednesday 9 a.m. until 6 p.m., Thursday and Friday from 9 - 9 and Saturday from 9 until 6 p.m.

Mr. and Mrs. Rosin have a son, Dennis aged 4 and a daughter, Andrea, 3, and make their home in St. Albert.

Sturgeon Electric expands services in new premises

Mr. Roger Montpetit of Sturgeon Electric has 20 years experience in the electrical contracting field. He worked with Industrial Power in Edmonton for 12 years before going to Matthews Electric as superintendent of operations.

The business in St. Albert was opened five years ago and has now moved to new enlarged premises on Muir drive, from the former location on St. Anne street.

The firm does both commercial and electrical installations and the new shop will feature a special service of advising the "do-it-yourself" handyman. Among local installations done by Sturgeon Electric are more than 300 residential units for Alcan Design Homes in St. Albert, and the electrical contract work for Sturgeon Heights school on the Villeneuve road.

The company will expand its retail operation in the new premises, carrying re-

sidential fixtures, parts and equipment for wiring, along with a handyman's display board for small jobs. As the local demand for retail service becomes known, this part of the business will be enlarged. Store hours are 8 a.m. - 6 p.m. Monday through Friday and 9 a.m. - 6 p.m. on Saturday.

Mr. Montpetit feels that competitive prices are a must, and keeps a careful check on this part of his operation at all times. Mrs. Germaine Montpetit assists her husband, mainly with the bookkeeping and in the retail store. The Montpetits have made their home in St. Albert for the past 14 years.

Single parents plan outing

The single parents' group has planned skating-sliding outing for Sunday, February 19 at 1 at the rink on Grosvenor Avenue. Families will meet at the rink, and if the weather is bad, will go to the arena.

All single parents in St. Albert and their children are invited to bring their skates and toboggans and join the fun. Afterward the group will meet at a member's house to warm up and munch hot dogs (bring your own wieners and buns).

For further information phone Ethel 599-5149 days, or Gloria 599-4897 evenings.

The group's cheese party last Saturday was felt a success by all involved, and time passed so quickly that most were sorry when it was time to go home.

Anyone wishing to be part of the group for further activities would be warmly welcomed by the steadily growing club.

Scriven's expand services in new Carmar Building

The major part of Scriven's Small Engine Services operation is automotive tune up, in which Stew Scriven has 20 years experience. He began work in this field at the age of 17, when he started his apprenticeship at Cooper Bros. in Edmonton.

The firm opened a shop in St. Albert three years ago at their present location on Muir Drive. As the business grew, more space was required, and arrangements were made for enlarged premises in the new Carmar Building planned at the site. During the construction period, Scriven's operated out of a temporary building, put up at the back of the lot by Carmar Holdings Ltd., a local firm.

The new premises more than doubles the previous space and the greater portion of it is for shop use, with retail and display area at the front. The shop can now house three cars at a time.

Complete tune up service with engine analyzer is offered on air-cooled engines for cars, trucks, farm and industrial units, as well as lawn and garden equipment.

Mr. Scriven was very pleased to announce yesterday that a contract has been signed establishing Scriven's Small Engine Services

as a dealer for Wisconsin engines. "The dealership will fit into our operation extremely well, and we are delighted to be able to offer this added service to our customers," Mr. Scriven said.

At the front of the shop the retail business handles related lines including Filko ignition and carburetor parts for both automotive and small engine applications; Prestolite spark plugs, Homelite Chain Saws Kralinator filters, Lawn Boy

lawn mowers, Veedol oil and similar items.

Simone Scriven assists her husband as an all-round Girl Friday, and Dan Kilfoil is apprenticing in the shop. Business hours are 8 a.m. - 8 p.m. Monday through Friday and 9 a.m. until one on Saturdays.

Mr. and Mrs. Scriven of Birch Drive have made their home in St. Albert for nine years. They have a son, Stewart 7, and daughter Lorette age 6.

Library

The Library Board would like to thank Mrs. Margo Johnston and Mr. Jack Williams for their valuable services while they were on the board. Both members, who have recently resigned, worked hard to improve the library service to St. Albert.

Mrs. Johnston also served as chairman and vice-chairman of the board and was previously librarian when the library was in the town hall.

The gift of \$25 from the St. Albert Toastmistresses is very much appreciated by the board and will be used for the purchase of books.

Members of the club and other people who have been pressed into giving after

dinner speeches or chairing a meeting will find books which should prove useful in non-fiction section 808. The books include "Roberts' Rules of Order," "The Toastmasters Handbook," "Ideas for the Speaker and Toastmaster," "A Treasury of Laughter" and others.

The library is open from 3 p.m. - 9 p.m. Monday to Friday and 10 a.m. - 5 p.m. on Saturdays.

St. Albert becomes ninth branch of Edmonton Auto parts

Edmonton Auto Parts, St. Albert branch, to be opening next month will be the firm's ninth branch, others being located in Westlock, Camrose and Edmonton. The firm was established in Edmonton in 1967.

Mr. Stanley Webster of Greenview Crescent, assistant general manager and vice-president of Edmonton Auto Parts, while connected with the St. Albert shop only in a supervisory capacity, is keenly interested in the new branch. He feels it will provide improved ser-

vice to the service stations and garage industry in St. Albert and throughout the MD of Sturgeon. Particularly in time saving in reaching the more central location without coping with heavy city traffic, the shop should prove a boon to people of the entire area, Mr. Webster said.

Mr. Peter Braams who is managing the branch is knowledgeable and fully qualified. He has been with the firm for four years and worked in other branches, gaining experience in all

parts of the operation.

Edmonton Auto Parts handles a full line of parts and accessories for all makes and models of trucks, cars, tractor engines and foreign car parts. The main plant is only seven miles away at 10950 - 119 Street and has a machine shop in conjunction.

Farming uses more petroleum than any other single industry, according to New Holland, the farm equipment division of Sperry Rand.

Did you know that????

Did you know that in the 1970-71 school term

*Alberta schools enrolled 423,964 pupils (an overall increase of 10,277)

*The average cost of providing a year of education to each of these pupils was \$794.63

*Alberta schools enrolled 51.57 per cent boys as compared to 48.43 per cent girls

*There were 1,366 schools in operation

*21,210 teachers were employed (11,519 of these had one or more university degrees)

*413 came from outside Canada (194 from U.S.A., 114 from the British Isles, 114 from other Commonwealth countries);

Goings On At Paul Kane

By Holly Hill

In the school curling league, Norman Hill's team is in first place with 23 points. In second place is Lane Bryant with 21, and in third is Terry Mitchell with 19.

In the second annual school bonspiel, Hugh Donovan's team beat Gary Greening to take A event. Bob Letourneau defeated Darrel Kramer to win B event and Ken Love won C event over Matt Lister.

PK's team entered in the Androssan High School Spiel consisting of Lane Bryant, Janice Hoosier, Laurie Hart and Norman Hill won the B event to bring home a nice big trophy.

GRAD PICTURES:

Parents may be surprised to see their grade 12 students leaving for school all dressed up and their hair combed neatly, but they don't have to worry they're only doing it for Grad pictures being taken today and tomorrow.

All students wishing to

attend the Grad dance and banquet this year should contact a grad committee member tomorrow or Friday. This is so that the committee can get an idea of how many students would attend and if it would be worthwhile to book the Royal Glenora for the function.

SCHOOL RINGS:

School rings were to have arrived today. The business organization and management class would like all those students owing money to pay for the rings when they pick up their rings.

MR. IRRESISTABLE:

Friday has been named Mr. Irresistible day. All girls will wear a ribbon which they will forfeit to a boy if they talk to one. The boy that has collected the most ribbons at the end of the day will be named Mr. Irresistible.

BASKETBALL:

PK teams will be going to Drayton Valley Friday night and the girl's team is going to a tournament at Salisbury Saturday.

Larry Kupsch, curling coach from St. Albert High presents the St. Albert Curling Club trophy to the Donovan Rink winners of "A" event in the Junior-Senior High School curling bonspiel held last weekend. Jenners run over Sabres

On Sunday afternoon at 2:30 the St. Albert Provincial Midgets took on Jenner Motors from the city. The final score was 12 - 0 for Jenners.

St. Albert played as if they had never been playing together before, and were totally disorganized, showing little if any form. At the end of the first

period the score was 2 - 0, and from then on the club fell apart. The Jenners team displayed superior passing, shooting and skating in over-coming the St. Albert team.

Dave Grice (25) shown here, was the only sign of hockey know-how St. Albert Provincial Midgets had, as they took on the Jenner Motors AA team from Edmonton in a 12 - 0 thumping.

In the second period the Sabres looked like they were standing still and letting the Jenner players skate around them for practice. The score reached 6 - 0.

The third period was unbelievable, as St. Albert got penalty after penalty which

cost them six more goals to round out the 12 - 0 slaughter.

The team which will represent the town in provincial play had a practice the night before the game, and the general attitude of the players was one of "we're

good we don't need to work hard."

Coaches Coward and Armstrong were left completely stunned after the game, but realized that 16 boys with an attitude like that couldn't be expected to win.

Comets coming but lose close one

Last Friday St. Albert fans were treated to an exciting game of good hockey only to see their Comets drop a 7 - 3 decision to Sherwood Park Barons. First period was evenly played with outstanding end to end rushes by both teams. Sherwood Park opened the scoring at the 8:10 mark

only to have the Comets come back a minute later to tie the score. With less than two minutes to go in the period the Barons went ahead 2 - 1.

Barons continued to carry the play in the second period and shot ahead with another four goals before Al Laplante rapped in Comets

second goal, to end the period 6 - 2.

In the final period both teams added a singleton. The game was well played and enjoyed by all the fans.

Next Comet home game is on Friday, February 25 when Comets take on Ray's Esso.

Kinsmen Upset Elmwood 4-2

St. Albert Kinsmen travelled on their new bus to Winterburn last Wednesday and came away with a well deserved 4 - 2 win.

Kinsmen were led by Craig Neeser with two while Doug Woods and Wayne Rissling added the others. Rusty Pollard played a strong game in goal for the Kinsmen making many fine saves.

Fire Chiefs wait for Play-Offs

St. Albert Fire Chiefs finished a dismal season in the Edmonton Rural Hockey League Sunday, taking a 6 - 2 beating from Fort Saskatchewan.

The town's representative bantam team makes the playoffs, however, since there are only four teams in the league. St. Albert finished last with a 22-loss-two-win record.

Sunday's game was marked by some refereeing that could best be described as strange, but when a team has lost as many games as the Fire Chiefs that sounds like a lame excuse.

The Fire Chiefs jumped into a 1 - 0 lead on a goal

by Greg Thibert with an assist going to Tom Parayko. The Fort tied it up less than two minutes later, but Thibert scored again to give St. Albert a 2 - 1 lead. Then the referees took a hand, sending defenceman Don Tobin off for what was called elbowing. Parayko quickly followed and the Fort tied it up.

St. Albert took seven penalties in the second period and gave up three goals. The Chiefs were again a man short in the third period when the Fort scored its final goal.

Friday night in Westlock with only 10 players, the Chiefs were soundly thrashed

9 - 1 with Thibert spoiling the Westlock goalie's shutout bid.

Thursday, the Fort beat the Fire Chiefs 4 - 2 with goals for St. Albert going to Lorrie Loshak and Chris Hoffart.

Dates for the playoffs have not been set, but the Chiefs should put up a better showing than during the regular season. The reason: For one of the few times this year, the team will probably have a full team. Illness and injuries have plagued the boys this year, but with some rest from league play they'll undoubtedly improve.

KINSMEN MINOR HOCKEY

The following results were received on February 15th:

PEEWEE 'B':
The Red Wings paced by Dave Fender and Karl Tenhove defeated the Legion 2 - 0 on Sunday. The shutout was posted by Scott Gannon.

K of C squeaked past the Oilers 1 - 0 on a goal from

A. Dalman. Art Mackinnon was in the pipes for the shutout.

BANTAM 'B':

The Lancers proved too much for the North Stars as they outclassed them 8 - 0. Scoring for the Lancers were Todd Winkulst with two and followed by Don Ouellette, Jim Scheibelhofer, Larry Sander, Ronnie San-

der, Darrell Liptak and Ricky Wallin. Fran Tworek posted the shutout.

Sabres posted a 3 - 2 victory over the Black Hawks on goals from Wayne Kuzio, M. Chamberlain and Dale Magoose. Handling scoring for the Black Hawks were D. Bokenfohr and D. Iseke.

BANTAM 'A':

Maple Leafs and Canadians fought to a 3 - 3 tie on Monday night. Scoring for the Maple Leafs were J. Smith and L. Moore. While Canadians scorers were McCann, Nease and Bely.

The Peeewe Provincial team play Drayton Valley on Saturday, February 19 1:15 p.m. at St. Albert in their first game of provincial play-downs.

Lady Lions at work last Friday decorating the community hall for their Sweetheart Ball, were rewarded with a flood of compliments on the completed job from the crowd who attended Saturday evening. The gay ceiling streamers being assembled here were enhanced by lovely floral arrangements on the walls and stage front and valentine heart themes worked in around the hall. When Dorothy Harrison who directed the job, saw the photographer come in she dived under the table, but was persuaded that her work clothes weren't all that bad, and is seen in the picture at centre back.

This might well be the only hand - painted ice surface in St. Albert district or that center (what's its name?) a few miles to the south. Robert Villeneuve and Earl Chimko, caretakers at Mission rink like to engage in friendly competition with the Braeside, Sturgeon and Grandin rinks, and spent nearly a day to achieve this beautiful effect last Friday.

Camilla 4H News

Both Riviere Qui Barre 4H clubs are selling tiles for the floor of the new kitchen addition to the Camilla School. They are going at three for \$1.00. It is a lucky draw with \$5 for first and \$10 for second. This year's public speak-off is going to be held March 24, at 7:30 p.m. in the Camilla School Music Room. Everyone is welcome to attend. Camilla Clothing Club will host the junior division speak-off for Sturgeon this year.

A joint Christmas party was held for the Riviere Qui Barre Beef Club and the Camilla Clothing Club. Everyone had fun with many games and a great lunch after the activities.

The clothing club attended the ice capades in January which were enjoyed by all.

To Russia with Love will be shown here

"To Russia With Love," a featured showing at St. Albert Evangelical Lutheran Church, 11 Glenview Cres., on February 20, at 7 p.m. is a moving documentary dealing with the underground church in Russia and other Iron Curtain countries. It reveals graphically the plight of countless Christians under godless communism.

Everybody who would like to see the film is welcome to attend. There will be a free-will offering and lunch will be served afterwards.

Fear, pain, and joy are inextricably woven into both picture and narrative as you see re-enacted before your eyes one family's escape to the freedom of the west. Pastor Stephan Bankov who pastored 56 churches closed by Bulgaria's hard line government, and who narrates the story as it unfolds, knows what it means to be tortured for one's faith.

The film depicts a Bible

courier's dramatic crossing into communist territory (filmed from a distance by long-range telescope lens), his journey into Russia and subsequent Bible "drops" at secret places. It reveals the joy with which members of an underground congregation received their gift Bibles and the emotion-packed moment when each held in his hand a copy of the Word of God for perhaps the very first time.

The shots are authentic and were secretly filmed for Underground Evangelism, an organization dedicated to the work of distributing Bibles and other forms of Christian literature in communist lands. Most of them were filmed on the scene by a professional camera man, using amateur equipment.

Cities and scenery are authentic, though of course the story of the Bankov family's flight from danger had to be staged. It is beautifully and factually done, though, by the Bankovs themselves.

MORINVILLE MEMOS

By Rose Martel

The St. Valentine's cheese festival, sponsored by Les Femmes Chrétiennes last Saturday evening drew a crowd of 260 guests and was enjoyed by all. The lucky ones whose names were drawn for prizes included Joanne Satche, R R 1; Jeanette Champagne, Yvonne Leduc, all of Morinville. Also a Mr. Davies name was drawn, but initials and address are unknown. The sponsors and conveners Yvette Tellier, Jeannine Chaffoux and Tom Houle wish to express their gratitude for the co-operation and support received.

The Morinville parish supper will be held on Sunday, March 26, in the Morinville Recreation Centre. So circle your calendar now and make it a family affair, for town and district residents, and all visitors are most welcome.

The Morinville Board of Trade held their monthly supper meeting on Feb. 7 with 26 members present. President Romeo Boissonault welcomed the guests, which included Octave and Rolande Himschoot and Yvonne Leduc. The president gave a detailed report of the brief presented to the Alberta Liquor Control Board by Reeve Walter Van de Walle, Councillor Harvey Atkinson, M.L.A. Ernie Jamison and Mr. Boissonault representing the Board of Trade.

The president, Mr. Boissonault and a director, Mr. Frank Sale were appointed as committee members to keep town council in touch with Alberta Liquor Board and push this local project.

Some changes were made in the 1972 executive. Don Derby, new assistant manager at the Royal Bank was appointed secretary-treasurer, replacing Mrs. Toni Found, who will remain as a director. Paul Henri Casavant resigned from the new executive. From now on the Morinville Board of Trade will meet on the first Monday of each month.

A motion was passed to request from the Postmaster General to have the Morinville Post Office services extended, to include an open wicket between the hours of noon and one o'clock in the afternoon, the same as local banks, to serve local businesses and provide a needed convenience to local and rural customers. The members were unanimous in supporting the idea of Imperial Oil bulk station remaining within the boundaries of the town of Morinville limits, either at their present location or new quarters north west of the UGG seavator. The next meeting is scheduled for Monday, March 6.

Congratulations to Norman Meunier, skip; George Borle, Guy Meunier and Claude Demers as lead, a foursome from Morinville, who won second prize in the Grand Challenge event, at the recent Riviere Qui Barre Men's Open Spiel.

Lois Steffes is a happy

girl these days since her new bobogun has been returned. She and her parents Mr. and Mrs. Clarence Steffes wish to thank those responsible for the return of her Christmas gift from her godparents.

On Feb. 10 Mrs. Marie Delima Brissette, 94, formerly of Morinville, passed away in Edmonton hospital. Funeral services were held in Edmonton on Saturday and interment followed in St. Joachim cemetery. Born Marie (Mamie) Lavallee, she was the daughter of the late Mr. and Mrs. Francis Lavalles, who arrived in Morinville in late 1800's, and sister to the late Mrs. Georgina Steffes and Caspar Lavallee, both of Morinville. She is survived by three sisters, Mrs. Eleanor Hittinger of Calgary, Mrs. Margaret Munn and Mrs. Julia Morin both of Clyde. She was predeceased by her husband Edmond Brissette in 1951, one son, Camille in 1960 and one daughter, Mrs. Gerard (Cecilia) Baril in 1962. She also leaves nine grandchildren and 18 great grandchildren.

Mr. and Mrs. Marcel Ricard welcomed a daughter, Denise, 9 lbs. 4 ozs. on Jan. 10. A sister for Lorraine, Yvette and Don.

Mr. and Mrs. Gerald Houle are receiving congratulations on the arrival of Lynn Eileen, a sister for Stephen.

Gus and Norman Meunier attended a sale seminar for

Massey Ferguson dealers in Calgary last week. Roger Blackburn was a business visitor in Banff last week.

Gerard Pelletier returned this week from a three week holiday motor trip to California. He was accompanied by his sister Mrs. Isabelle Arcand, her husband Richard and Mr. Laurent Arcand.

Octave Himschoot announced last week that the 1972 Sportsman's supper, sponsored by the Morinville Curling club members will be held in Morinville on March 12.

Among those reported in hospital include Miss Joanne Bachand, daughter of Mr. and Mrs. Ed Bachand and Raymond Short, son of Mr. and Mrs. Pat Short.

On Jan. 17 the Morinville Centennial Library committee held its annual meeting and election of officers for the year. Retiring president Marie-Paule Kremer chaired the meeting of the local board members. Cecile Gregoire was elected chairman for 1972, with Mrs. Kremer as vice-president. Sister Luciana, remains as secretary-treasurer. Directors are Roger Blackburn, Jeannette Robert and Lil Boddez. Ann Maschly will be the representative from town council for this year. Angeline Leduc remains librarian for another term.

Mrs. Dorothy Dalgault accompanied by her brother, Mr. Charles Clement motored to St. Paul last week to visit Mr. Paul Boisvert and family.

Morinville is very happy to have Pete the local shoemaker back and recovered from his injuries suffered last fall when struck by a passing motorist.

Public Meeting elects 7 to planning executive

Barry Breadner of 31 Sunnyside Crescent was elected President of the St. Albert Community Planning Committee at a public meeting attended by about 35 local residents in Father JunSchol Feb. 9th. Stan Kolo-moyko of 40 Sunset is Vice President, August Lomon, 25 Bellevue is Secretary-Treasurer and three Directors complete the executive: Barbara Wheatley, 31 Bishop, Art Nixon, 24 Gilmore and Chuck Thornderson, 30 Gillian.

Other business covered the adoption of a constitution as amended by the meeting and a review of the application of the Committee to form a society under the Societies Act.

When the application is approved, the society wishes to affiliate with the Community Planning Association of Canada.

In discussing the objectives of the Committee, Mr. Breadner pointed out that it was not the intention of the original interim committee to do a one-stop protest on annexation, nor to stop annexation forever. Rather the group wanted to be shown that the Town is ready, and to be sure the residents are informed as to what's to come. The Committee wants to function as a continuous body, hopefully in co-operation with Council, in all matters related to planning the kind of community desired by the people. To this end membership in the committee will be open to any resident 18 years or over at \$1.00 per year.

Considerable discussion followed on the submission to the Local Authorities Board by the interim committee during which the majority of those present participated with pertinent questions and / or suggestions. The executive will receive submissions from the membership, which the executive will co-relate in preparation for a public hearing on the annexation by the L. A. B.

Suggestions for the future meeting programs approved by the meeting included having speakers from the Edmonton Regional Planning Commission, from appropriate provincial government departments and from the Community Planning Association of Canada.

Member ship in the Planning Committee at present is upwards of sixty.

STURGEON Council Briefs

Tenders received on two new motor graders, to replace machines used in Division 2 and 7, took up a good portion of the February 10 council meeting.

Submissions were received from R. Angus and Ferguson Supplies with council awarding the contract to Ferguson Supplies for the two graders.

An advisory committee to the Agricultural Service Board was discussed and it was decided to advertise in the Gazette for members at large to act on this committee. Those interested in serving on this committee are asked to watch for the ad on the half acre page in the Gazette.

Court of Revision dates were set for March 23, 24, and other dates will be added if required. Five members from council will be in attendance at these sittings.

MD council meetings are held the Thursday of each month which follows the second Tuesday of the month from the hours of 10 a.m. till 4:40 p.m.

Ratepayers interested in attending these meetings are most welcome.

Card of Thanks

We would like to thank friends, neighbors, and relatives for the innumerable acts of kindness shown us during our recent bereavement in the passing of our beloved husband and father, Ken W. Charters. The many messages of sympathy, flowers, and donations to the Heart Fund were greatly appreciated. Special thanks to Dr. MacDonald, Syd Dequire, the pallbearers, the Klondike Kid Honor Guard and the Loyal Order of Moose for serving lunch.

Doris, Les, Simone, Bruce and Gordon Charters.

Around Town

The crowd at the Lady Lons Sweetheart Ball were in a festive mood, keeping the dance floor crowded throughout the evening. Special guests were Mr. and Mrs. Franche and Mr. and Mrs. Ricard of the Sailor Citizens group, and Mr. Franche had the honour of crowning the Queen, Eileen Primrose. Door prize went to Mr. Killips of Edmonton. Entertainment was provided by a local group of little folk, singers and dancers. Chuck Meurin, who was celebrating his birthday was

treated to an enthusiastic "Happy Birthday" serenade.

Members of the St. Albert Curling Club entertained Hec Gervais and his rink at a reception in the Friendly Giant Inn Saturday evening, in honor of their latest victory in the Northern Alberta Consol playdowns.

Paul Brisson gets new appointment

Paul R. Brisson, formerly from Legal, was hired as recreation superintendent for the MD of Smoky River #190 as of January 1st, 1972.

Paul arrived in Falher in September of 1966 as physical education teacher for the Falher Consolidated School and recreation director for the town. In January of 1972, after completing a two year recreation survey on facilities and programs of and in the area, he was hired as superintendent. The Smoky River area includes the towns of Falher and McLennan, villages of Donnelly and Girouville, and the rural area for these communities.

PAUL BRISSON.

Paul, 26 years of age, was married in November of 1971 and makes his home in Falher. He is the son of Mr. and Mrs. Pierre Brisson of Legal.

Morinville senior hockey tournament

By Paul Krauskopf

The Morinville Sports Association senior hockey tournament scheduled for this weekend has all the makings of a very interesting and exciting event with six top teams competing for top honors. Starting times are:

SATURDAY, FEB 19 - Game 1 - 11:30 a.m. Calahoo vs Villeneuve; Game 2 - 2:30 p.m. Namsa vs Legal; Game 3 - 5:30 p.m. Morinville vs Westlock; Game 4 - 8:30 p.m. Loser 1 vs Loser 2.

SUNDAY, FEB 20 - Game 5 - 12 noon Winner 2 vs Winner 3; Game 6 - 3 p.m. Winner 4 vs Loser 3.

Exhibition will feature minor hockey game Miles final - 8 p.m. Winner 1 vs Winner 5.

Come and cheer your team to victory. We feel that the admission is reasonable.

considering the good hockey that is in store for you. Adults \$1; students 15 and over with cards 50¢; children 7 to 14, 25¢.

On Monday Feb. 7 the Morinville Midgates played to a 2 - 2 tie with Gibbons. The boys acted like hockey players before, during and after the game. Scoring goals for Morinville were Les Skinner and Gordon Saffin. Gibbons goalkeepers were C. Durk and N. Kruk. That's more like it.

Around Town

Father Ron Pelcier will be ordained on Sunday, Feb. 20 and conduct his first mass at 11 a.m. in the Church on the Hill. A reception has been arranged in the Parish Hall from two until four o'clock and short program will be presented.

Ten boys of 4th St. Albert scouts were on a winter camp outing Saturday, spending the night outdoors at the guide campsite. Daytime activity included snow shoveling and hiking and at night keeping the fire going took a little doing. Scout leader Mr. Elzen and submaster Rick Latta accompanied the boys.

As I See It

by ROSE MARTEL

This is Brotherhood Week 1972. What does that mean to the average individual? To put it in two words - nothing much.

The slogan: "Brotherhood of Man - United We Stand" is so many empty words for a vast majority. One out of every three humans on this earth today, is in dire poverty, in desperate need of better living conditions, while the rich are getting richer and the poor are getting poorer. What are you doing about it?

According to the present system, called democracy by the western world, it has been said that 85 per cent do the contributing, while 15 per cent do all the collecting and control the economy of the various nations. Yet, today all the efforts of the United Nations, and the principles of the Geneva convention are being challenged by the revolutions,

Wars, and civil and religious strife in various parts of the globe, such as Bangladesh, Ireland, Viet Nam. Are you concerned . . . ?

As Canadians, we have been very fortunate so far in our national history, not to have suffered bloodbaths such as Poland, Hungary and the Russians have suffered. But, is that an excuse why we should not be as sensitive alert and compassionate for the unfortunate of the world? Just because we enjoy a high standard of living in comparison to our fellowmen from Bolivia and Peru, as well as the masses from Asia, does not mean that we should not be knowledgeable as to the causes and effects of the difference in time to come . . . to our own continent and our own nation.

As I See It - The biggest contribution we as adult responsible individuals in a modern, prosperous nation,

can make during Brotherhood Week, 1972, is to take a personal inventory of our own selves. Each one of us evaluating our worth to our Creator, regardless of religious affiliation. Answer this very personal question, truthfully: "Am I here to grab, steal, or take everything I can, for my own, while I can during my lifetime" or "I am a responsible individual, who has a responsibility to my fellowmen, my community, my country, my Creator, during my lifetime work." To be concerned about the plight of others, is a good intention, and a noble thought. To act, to help, to correct injustices, in our own circles of life, is Brotherhood in action. This is the week to begin . . . who knows it may take roots.

3 Day Carnival in Bon Accord goes this week

The Bon Accord Ice Carnival will be presented Thursday, Friday and Saturday this week, with skating, figure skating, hockey and snowmobile races, rounded out by a carnival game and cash bingo. Program is as follows:

Any high school students who might have missed the meetings on "Opportunities for Youth" can still participate in this summer employment program if they wish. If a project has been decided upon, or if you would just like more information about the program, call me at 424-6276 or 256-3321. It is possible to make \$90 a week working on a program that is of personal interest and is administered by the group of students involved. This seems like a very interesting way to spend the summer to me, how about you?

GIBBONS:

Golf sessions will be starting in Gibbons on Thursday, February 24. These sessions can be of a "learn to golf" nature or if you happen to be a professional the time can be spent

in getting ready for the coming season. All ages are welcome to the first evening at which time the group may be divided into two if the response is big enough. For more information contact - Mrs. Katie Mabbutt at 799-3896.

MINOR HOCKEY:

The mite and pee-wee regular season play is finished for this winter while the bantams and midgets will be finishing in the near future. This means that playoffs are next on the agenda. Playoffs are always exciting and these youngsters need support so please attend the next minor hockey game in your area. The teams in each bracket have progressed very well over the winter with the help of a great group of men - the coaches. I think that everyone owes support to both the players and the coaches and the best way to show this support is to attend the games.

BON ACCORD NEWS

By Sadie Allen

February 5 and 6 Mr. and Mrs. Robert McRobbie, Bojans Kennels, attended the annual Alberta Kennel Club Dog Show in Calgary. This year was a record with over 1,800 entries competing from all over Canada and parts of the U.S.A. Mrs. Janice McRobbie handled three Collies. The male went from the "Open Male" class on through to "Best Dog In Breed" over one of the largest Collie entries in Alberta. Two females also won, one from the "Open Female" class and the other from the "Specials" class. It was a very good weekend as they returned home with three finished champions, and all from the same litter under a year and a half of age.

The annual meeting of the Village of Bon Accord will be held on Friday, March 10 at 8 p.m. in the village office.

Gibbons will upgrade water filter system

Gibbons Village Council, meeting February 9, passed a motion approving the upgrading of the filter system now in use, so that a better supply of water can be distributed. The project will ensure a supply of water for double the present population. Some enquiries have been received about the old chlorine pump which has been replaced and will be sold.

An open meeting will be held in the community hall to discuss the rate of assessment for the village. This meeting will be held on Thursday the second day of March at 7:30 p.m. There have been a great number of inquiries about the assessment in the new areas and the village assessor will be present to explain these.

A special meeting will be

held with the owner of the property to the south to discuss development of this property.

A request for permission to form a snowmobile club was granted.

Motion carried that the village again become a member of the Alberta Urban Municipalities Association.

The members of council decided to purchase the copier that is demonstrated in the village office. Anyone in the village wishing to have copying done may do so at the village office. There will be a small charge to pay for paper and time.

A village library was discussed, but further information on the school library is needed so the matter was left until next meeting.

Dog licences are now due and they may be purchased

at the village office. Dogs running loose without licences will be sent to the SPCA as strays. All dogs require a licence.

The census just completed shows the village has a population of 696 persons. This is an increase of 130 over last year and a like

increase should be anticipated for this next year. A breakdown of last year's mill rate, as requested by the new residents of the village is as follows:

Schools - 42.20; Health - 3.16; Debuture - 13.30; Municipal - 8.34 mills. This amounts to 70 mills.

Namao League keeps annexed people

By Norma Crozier

The annual meeting of the Namao School and Community League was held in the school on Feb. 7.

The 1971 executive were re-elected because of the short period they had served since the league was formed. Memberships for 1972 are being sold at \$2 per family within the Namal School attendance area.

An extraordinary resolution was passed to include those people recently annexed to the city, they will still hold full membership privileges until such time as the city provides them with their own community league.

A plaque was presented to Mr. and Mrs. Leo Huber in recognition of their services to baseball in the

community. They are looking forward to another active year.

The next executive meeting will be held on Monday, Feb. 28.

A bingo will be held in the Namao Community Hall on Friday, Feb. 18. Everybody welcome.

The Namao HI-C organized a skating party which proved to be a successful evening on Feb. 11, the weather was perfect for a fun evening of skating.

Mrs. Gladys McEay and Mrs. Alma Paul returned on Friday from a three-week holiday in Hawaii and Vancouver. They report the Hawaiian weather wasn't what they expected but a

little rain didn't mar their holiday.

Sturgeon Valley group forms new committee

On Friday, Feb. 4, 1972 46 interested persons attended a meeting at the residence of Mr. and Mrs. A. Olson for the purpose of exploring the recreational wishes of a group of Sturgeon Valley communities in the Namao area. The meeting was chaired by Mr. D. Wiens and had in attendance Mr. Carl Royan of the MD of Sturgeon Recreation Department.

Mr. Royan presented the group with information on organizing a community league including statutory requirements of the Societies Act. His talk included information on Grant funds, facilities, programs and methods of starting and determining the priority of facilities needed. Mr. Royan offered his assistance in any way or at any time the group desired.

A committee made up of one representative from each of the five areas was

formed: Sturgeon Heights, Kay Larson (799-3525); Sturgeon Crest, Amy Olson (799-3961); Viscount, Don Wiens (799-5069); North Point, Elsie McMillan, (799-6575); Skyline, Rick Jacobson (488-6462).

The committee has to discuss facilities, investigate requirement of setting up a community league, and

establish a course of action. Some 30 families were represented at the meeting. Upcoming matters to be considered by the newly-formed committee include investigation of Societies Act Requirements and a Constitution; Fund Raising through such activities as dances, bingo, and grants; and a survey of zoning in all areas.

Plan new home grounds for beauty-use-budget

ARTICLE 4

This week, pop into your local bookstore and order or pick up a "Sunset" publication called Garden Plans, cost \$2.50. It contains 49 plans for gardens, and numerous photographs, and will help you in constructing your own plans. This Sunset book is so rich in material and ideas that it may befuddle you at first, but remember, it will help you in coming up with a satisfactory plan of your own. Don't try to copy any individual plan, but look through the book and try to select three of four ideas to incorporate into your own drawing.

Most of the plants and trees used in Sunset Garden Plans are not hardy for our climate, but we are able to substitute with harder

types, and although we're not living in California or Texas, we can come up with some very beautiful displays in Alberta. I will give a short list of hardy shrubs and trees later, along with a few perennials. However, keep your drawings simple, as this is your first attempt, and if you overplan a garden, the maintenance will stagger you.

Mowing lawns and weeding flower beds is hard work if you don't enjoy doing it, so go easy when you draw in the borders in the living area (or rear of house).

The actual physical development of your new home grounds can be done in the following order:

1. Earth or soil brought in to required levels.
2. Patio and walks poured.
3. Fences put up

4. Seed lawn areas (or sod if you are in a real hurry)

5. Put in trees and shrubs
The earth or loam is a major consideration because this is the material which will either make a perfect lawn, or produce a weed-filled, sick looking job. Tons of the best lawn seed will never produce the fine type of lawn you can be proud of if the earth or loam from which it derives its nourishment is poor, or heavy, or has too much clay in it.

This topsoil is very important, and you are well advised to call a good landscaper at this point, and order a good mixture of loam, peat, and sand. A qualified landscaper will be able to measure the area and calculate the requirements, including supplying the soil, and levelling it with his tractor. Believe me, I can assure you from watch-

What a thrill to watch the Calahoo Mighty Mites play hockey - In this instance against Onoway. Even though the score was 7 - 1 for Onoway (who have played several league games) our Calahoo 11 year olds and

under put up a real show to the delight of the large crowd, cheering for both sides.

The Calahoo Junior Scorpions have been really active also and its always a thrill to watch them play. Victory was sweet over Villeneuve who had trounced them previously. They have had games with Riviere Qui Barre, Morinville and Villeneuve.

In one of these, the lone scorer was Michael Schermund who made two goals saving the team from being creamed. So much credit is due to the community minded people who encouraged these boys and got the teams organized.

More power to your Calahoo Scorpions, Blackie. The best of luck in your remaining games to come out victorious.

ing determined young people do all their own levelling by hand, that it is a killing, tiring job that will drag into days and weeks if you do it by yourself. A good tractor operator will complete it in a few hours, and will have given the correct drainage falls from your house, so that water doesn't come flooding into your basement as soon as we have a heavy rain.

Stake out the garage pad and the patio area before you bring in the loam, and it will save a lot of work later if these areas are not filled with loam.

Walter Chubb, Lieut. D. Lohlick, administration officer, Lieut. L. Moore, supply officer, Lieut. M. Kondruk, chief instructor, and Lieut. Tom Carleton.

The following promotions were presented to the cadets by Mr. Roy Hart of St. Albert, representative from the provincial committee: Flight - Sgt. C. Moore to WO 2nd Class; Sgt. K. Carleton to Flt. Sergeant; Cpls. K. Lewis and P. Ferby to Sergeants; LAC's R. Knutson, Shauer, J. Zendron, M. Ruth and R. Chalfoux to Cpls and AC's J. Allen, Hagson, Irmen, Kelly, Kellar, Lohlick, D. Mabbutt, R. Mabbutt, Madden, Melnychuk, Reynolds, Ruttan, Teague, Tidbury, M. Zaychuk, D. Zaychuk, Rudy Chalfoux, Brissom, Moore, Hunting, Chalfoux, Flzer, Archer, Thorson, Kerr, and Broda to LAC's LI.

Tom Carleton was presented with a Physical Edu-

cation scholarship from the Strathcona Trust and Rob Knutson who attended a Bush familiarization course at Camp Worthington last summer received his certificate. The civilian committee is comprised of President W. Carleton; sec. treas. Taras Ferby; Shirley Lohlick; Doris Carleton, Jim George who is the official photographer, Elsie Chalfoux, Mrs. Flzer, Mrs. Melnychuk and Thelma Evertit.

Regular meetings of the committee are held on the second Tuesday of the month at 7:30 in the community centre and everyone is welcome to attend. The audience were treated to a demonstration of gliders by Cadets Kelly, Knutson and Lohlick. Construction of the gliders is one of the many interesting projects offered the boys. Their instructor is Metro Kondruk. Also featured were two short boxing bouts between M. Zaychuk and L. Brissom and Dale Ruttan and Mark Melnychuk. Boxing instructor is Mr. Mike Larner.

Meeting highlights of Sturgeon Board

At its regular meeting on February 8 and 9 the Board of Sturgeon School Division:

Approved of a new staffing policy to become effective at the beginning of next school year which will provide equitable staffing throughout divisional schools.

Calendar for the 1972-73 school year which sets August 28 as the opening date and June 22, 1973 as the last day of the school year, was also approved. And regulations pertaining to absences of teachers for personal reasons were passed.

Two para-professional personnel for Horse Hill school and one for Sturgeon Heights school will be engaged for the balance of the current school year.

A grant of \$200 to be utilized in assisting Sturgeon teachers to attend summer "Drive In" seminars, was awarded the Sturgeon Local ATA, and the board committed itself to supporting and giving financial assistance for a Drive-In Seminar to be held

at Sturgeon Heights school during the summer, provided sufficient interest is shown to enable it to go forward.

The meeting received the retirement resignation after 25 years of dedicated service of Mrs. Lillian Vague, teacher at Sturgeon Heights school, effective at the end of the current school year.

It was decided to send one administrator to the annual Principal's Leadership Course to be held July 10-21 at the Alberta School for the Deaf.

4H club active in Bon Accord

By Lydia Uchacz

The Bon Accord 4H Beef Club has been an active club since its reorganization in November.

The calves were tagged and weighed on November 7 at H. Rigney's scale.

To raise money for the club the following activities took place.

Lunch and coffee made by the 4H members and mothers, and sold to the hungry people at the farm sale of Don Caruthers.

At the Lions Turkey bingo in December held at Bon Accord, the members sold hot dogs and pop.

Two very successful dances were held. Music was supplied by the Franklin Stone Orchestra.

During the Christmas holidays the 4H Beef, sewing and horse clubs got together for a tobogganing party. Stew and hot chocolate was served to the cold boys and girls to end off the party.

A chartered bus took all the members to the annual ice capades. It was enjoyed by all despite the cold evening.

The monthly meetings are being made more interesting, by having a guest speaker. Neil Duggan, a cattle buyer was a guest speaker, giving a talk on "feeding of the 4H calves."

The club tour to see all the members calves, which was to be held in December was postponed because of the drifted roads. This will be held as soon as weather permits.

farm tool

The single biggest problem facing Alberta's farmers today is not drought, insect plagues, or livestock disease. It's business management . . . or lack of it.

The Farm Business Analysis Program of the Department of Agriculture puts a valuable management tool into the hands of Alberta's food producers. Any farmer who maintains his records with the Prairie Provinces Farm Accounts Book may, with the assistance of his Regional Economist, have those records digested and analyzed by the Provincial Government computer. With this information the farmer can more easily decide exactly how the farm is performing, and what changes might be made to make it more profitable.

If you want full details on this service, contact your local District Agriculturist.
